This is from a trip to Death Valley with Dee, Shelley & Loye. It was early morning, had to walk a mile into the dunes to rid footprints. I shot it with a Lumex G9.

### Sunrise Photographers

By Lori Azevedo

Last fall my husband and I were traveling around Lee Vining. We got up before dawn and made our way to the Tufas at Mono Lake. Already there were over 20 photographers set up to capture the sunrise reflections on the Tufas.

My husband came up to me and wondered why all the photographers were turned away from the sunrise. I turned around also and saw what I thought would be an interesting photo. Using the photographer on the right to anchor my photo, I believed it would help create a better image. I used photoshop to add contrast and reduced glare on the lake and increased the lighting throughout.
