PSA Information

Are You a Member of the Photographic Society of America (PSA)?

"ADVANTAGES OF HAVING PSA MEMBERSHIP

PSA has a **Personalized Image Evaluation Service**. This service is especially helpful if the maker wants to have his/her skills evaluated, if the maker would like to know what constitutes an acceptable image in one of the PSA Divisions, or for pre-viewing Images before entering them in club competition or a PSA recognized Exhibition.

PSA also has an **Image Analysis Course**, which is helpful in judging ones own photos or becoming a certified judge.

These are free services offered by PSA to members. Need a Mentor? Go to <http://psa-photo/org.php?member-education-mentor-service>

PSA Galleries

PSA has several galleries on this website where members can share their photography with others.

PSA Member Galleries - For All PSA Members Each State, Province, or Country may contain individual member galleries that showcase members' work. Individual images and bios in galleries may be updated by members as often as they would like. A list of available galleries is accessed from the left pane of this webpage, grouped according to PSA Member Area. They can also be accessed from a state/province/country and some chapter pages on the site.

Each PSA member can create a gallery of up to 6 images and a biography with a link to a personal web gallery. **Member galleries stay on the PSA site for as long as a member remains a PSA member in good standing.**
