### Badlands

By Dee Humphrey

We went to the Badlands a few years ago. It's worth going if you haven't been There are lots of colors in the hills, yellow, pinks etc. It was fun just roaming around the hills to find the best shot. This was mine. I converted it to monochrome from color and I found I liked it better.

I used Canon Mark III 24/105 lense, iso 200 F8.

Mesquite Dunes and Sky, Death Valley

By Loye Stone

2nd Place

This image was taken at sunrise in Death Valley. My absolute favorite place to be and photograph. It's about a mile walk to the dunes on the east side and about a mile into the dunes. It's a little taxing but well worth it.

Canon 5d Mark III f16 on a tripod.

Central Coast Predawn Colors

By Jim Sanderson

This shot was taken over on the central coast near my house in Cambria. The sky was full of amazing colors prior to the sun coming up on that particular morning. Most edits were done on the raw file in Lightroom classic. Special attention was given to the sky using primarily radial gradients for color and luminosity.

Fujifilm GFX100 with GF45-100 lens

Lowell Arizona

By Phyliss Walker

This image was taking early in the morning in Lowell Arizona. It is just one street. I don't remember if I used my cell phone or my Canon EOS M6 Mark two. I use the automatic setting and edited the image in NIK software.

### **PSA Information**

Are You a Member of the Photographic Society of America (PSA)?

#### "ADVANTAGES OF HAVING PSA MEMBERSHIP

PSA has a <u>Personalized Image Evaluation Service</u>. This service is especially helpful if the maker wants to have his/her skills evaluated, if the maker would like to know what constitutes an acceptable image in one of the PSA Divisions, or for previewing Images before entering them in club competition or a PSA recognized Exhibition.

PSA also has an **Image Analysis Course**, which is helpful in judging ones own photos or becoming a certified judge.

These are free services offered by PSA to members. Need a Mentor? Go to <u>http://psa-photo/org.php?member-education-mentor-service</u>

#### **PSA Galleries**

PSA has several galleries on this website where members can share their photography with others.

PSA Member Galleries - For All PSA Members

Each State, Province, or Country may contain individual member galleries that showcase members' work. Individual images and bios in galleries may be updated by members as often as they would like. A list of available galleries is accessed from the left pane of this webpage, grouped according to PSA Member

Area. They can also be accessed from a state/province/country and some chapter pages on the site.

Each PSA member can <u>create</u> a gallery of up to 6 images and a biography with a link to a personal web gallery. **Member galleries** stay on the PSA site for as long as a member remains a PSA member in good standing.

Many members have asked if we have field trips planned or if fellow members would like to go out on shoots. I created a page on Group-Me.com so we can see if other members would like to join us on phoadventures:
