# San Joaquin Valley Camera Club Council

Greetings to all,

I hope that you all are having a wonderful summer.

September 11th is our next meeting at the Wyndam Hotel in Fresno so be sure to get your digital entries submitted soon so that Tim will have enough time to organize them.

We need to start thinking about next year and our officers for next year. I will be stepping down as president and I'm sure that there is someone in the club that will be willing to take my place, perhaps Heide, our Vice President. We have terrific chairmen so I'm sure most will remain. Shirley Ward will be stepping down as PJ chairman so we will need someone to take her place. Sam Shaw will also be stepping down as treasurer so we need someone to take Sams' place.

Shirley will not be at the meeting, on the 11th, and we will need a volunteer to take her place as PJ chair.

Please contact the members in your clubs and encourage them to attend our meetings, it's a great learning experience.

If I've missed anything with this communication, please let me know and I will send out another email or discuss it at the meeting.

I'll see you all on Sunday, Sept. 11th,

*Loye Stone*

President SJVCCC

Peach Orchard

By Lori Azevedo

This photo was taken in February of 2019 in Reedley just as the blossoms start to appear using my Nikon D610. The peach orchard had just been irrigated which gave a wonderful reflection of a good sky. I used a tripod and 24-85mm lens. Very little adjustment was made to the photo other than removing a few unwanted items.

Serval Cat

By Dee Humphrey

I took this photo last year in Tanzania, Africa. We got real lucky that day to see this Serval Cat, they are rare to see as they are very shy, And here is one right in the middle of the road and didn't run off when we pulled up. Really enjoyed watching her.

Mont Saint Michel at Low Tide

By Elizabeth Bedard

We visited Mont Saint in 2012. We recently got a NAS (network attached storage device) to store all my images on and this caused me to look through several images as it was populating. I always liked this image but found it blah. I decided to revisit this image and opened it in PhotoShop with NIK's Color Efex Pro. The new Color Efex Pro 5 has a filter called ClearView and it really improved the image in

the building and the clouds. I also cropped out the "half person" on the right.

I was using my Nikon D7000 at the time.

### It's time for the Fresno Fair!

The fair runs October 5—16 and we will need volunteers for our booth. Each volunteer will receive a ticket to the fair and a parking pass.

Look for an email from Sign Up Genius in August to sign up for a spot. They will also send you a reminder email about your shift. If I am able to get the tickets before our September meeting, I will bring them to the meeting.

We also will need prints to hang in our booth. Please bring your prints to the September meeting or to the fairgrounds during set up (mounted as you do for competition) to hang in our booth.

### Do you want to compete at the Fair?

Go to [fresnofair.com](http://fresnofair.com) and select PARTICIPATE , then COMPETATIVE EXHIBITS and scroll down to Photography.

### San Joaquin Valley Camera Club Council

If you are a member of the Fresno Camera Club, you are also a member of the San Joaquin Valley Camera Club Council. You can compete in the monthly competitions. If you are unfamiliar, Council has six categories for images: Color Prints, Monochrome Prints, Nature, Travel, Photojournalism and Pictorial (anything goes). Cost is \$1 per category to enter (two images allowed in each category) Other costs would be \$22 for lunch. You can also just attend the meeting and see what it's about!

Come and check it out! If you have questions, you can contact Loye Stone our council rep at: [chili-loy@yahoo.com](mailto:chili-loy@yahoo.com)
