Thinking about going to Africa?

Doug Ridgeway from Stockton is putting together a trip to Africa in December—Here are a few notes on his trip and the last pages of the newsletter have more information:

I am returning to South Africa in early December, 2019. That is the start of their rainy season. Things will be greening up and the babies will be born.

I have decided to go with a company called, [Mafigeni Safari Company](#). One thing I like about them is that they are a small family run business and you aren't tied into a structured tour, unless you want to be. They had a booth at the International Sportsman's Show this year and I spent a lot of time talking with Jill Kleynhans, Mafigeni's owner. While still a bit flexible, I am looking at leaving on December 5 and will be returning on the 20th. Mafigeni offers several options. Their base itinerary is for 9 days and 8 nights which **includes air from here** and one night in Kruger NP. The price of that is \$3,680.00. I am adding 2 extra nights, 3 is an option, still 9 days and 8 nights, for \$150/night. I am also adding on 5 days and 4 nights to go to the Chobe NP and end the trip at Victoria Falls. This adds an additional \$2,750 to the price. I will be putting this together as a group but, you aren't restricted to the itinerary, I am setting for myself. I am paying my own way so what you pay goes directly to Mafigeni, i.e. I am getting nothing but friends to travel with. Here are some options, prices, includes a 15% Government Tax:

1. Just do the base trip, 9 days - 8 nights = \$4232
2. 9 days - 8 nights, includes 2 extra nights in Kruger = \$4577
3. 13 days - 12 nights, 3 nights in Kruger, Chobe NP and Victoria Falls = \$7000.
